ight. Submission of a manuscript implies: that the work described has not been published before (except in the form of an ct or as part of a published lecture, review, or thesis); that it is not under consideration for publication elsewhere; that its pub- n has been approved by all coauthors, if any, as well as by the responsible authorities at the institute where the work has carried out; that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of the ght to the publisher; and that the manuscript will not be published elsewhere in any language without the consent of the ght holders.

cles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the (e. g., as offprints), as well as all translation rights. No material published in this journal may be reproduced photographi- r stored on microfilm, in electronic data bases, video disks, etc., without first obtaining written permission from the publisher. se of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does pply that these names are not protected by the relevant laws and regulations.

the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the rs, the editors, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The pub- makes no warranty, express or implied, with respect to the material contained herein.

al regulations for photocopies in the USA. Photocopies may be made for personal or in-house use beyond the limita- tipulated under Section 107 or 108 of U. S. Copyright Law, provided a fee is paid. This fee is US $ 0.20 per page, per copy, basic fee of US $ 2.00 per article. All fees should be paid to the Copyright Clearance Center, Inc., 21 Congress Street, Sa- IA 01970, USA, stating the ISSN 0025-2611, the volume, and the first and last page numbers of each article copied. The co- t owner's consent does not include copying for general distribution, promotion, new works, or resale. In these cases, spe- ritten permission must first be obtained from the publisher.
